Foreword

The 7th Panchayat General Elections, 2008 for electing the members of the 3 tier Panchayati Raj System of West Bengal is just round the corner. Though being associated with the conduction of Panchayat Elections is altogether a unique experience, being completely different from the Parliamentary and Assembly Elections, yet, this year's Panchayat Elections is specially different leaving very little time for preparations at various levels of administration, our district being in phase I of the programme. There has been some modification in the instructions issued by the State Election Commission since the last election in 2003 which has necessitated many changes in our arrangements for the conduct of polls.

Holding of a smooth Panchayat Election requires a distinctly different outlook & attitude, preparation and methodology as well as strategy and planning. There are thousands of constituencies, seats and also a large no candidates who are into fray. Votes for three tiers are to be caste at 3923 Polling Stations including 751 Auxiliary Polling Stations Preparatory works at various steps require to be considerably decentralized and bringing about an adequate level of uniformity and standardization is thus correspondingly difficult, particularly in a large district like Burdwan.

However, the District Administration has pulled out all stops to ensure that the arrangements are made full proof. This has been done through meticulous planning, regular monitoring and above all co-operation and sincere participation of all concerned. This handbook is being brought out to highlight some of the arrangements made for the ensuing election. We hope that a booklet of such nature will be put to use by all the election officials involved at various level and also by the election observers appointed by the State Election Commission helping us in better monitoring and supervision. I would like to place on record my sincere appreciation to Dr. Archana, IAS, ADM (Election), Sri Hindole Dutta, DPRDO, Burdwan, Smt. Sonali Dutta (Ray), W.B.C.S. (Exe), Smt. Soma Shaw W.B.C.S. (Exe) and other members of staff, who worked relentlessly to bring out this booklet in time.

I am confident that the Panchayat General Election 2008 will be conducted in this district with distinction, fairness and efficiency owing to the competence, dedication, sincerity and, above all, the team spirit of all the officers, staff members, polling personnel, security personnel and all others involved in the election process. I thank each and everyone of the team and convey my best wishes for smooth conduction of the forthcoming election.

BALLOT PAPER PRINTING

&

STRONG ROOM ARRANGEMENT

The identification of Printing Presses at District H.Q. and Sub-Divisional H.Q. for printing of Ballot papers is already under process. Measures for arranging security at the press have been discussed with Superintendent of Police and all necessary arrangements will be made in time. After printing, the Ballot papers will be stored at District/Sub-Divisional Treasury Strong Room. Temporary Strong Rooms will be opened at the Block level latest by 5th May, 2008. Strong Room guarding has to be arranged at each of the 31 Blocks from that day till completion of counting.

COMMUNICATION STRATEGY

A} Communication from District ↴ Sub-Division ↴ Block

We have prepared three communication channels from District Head Quarter to Sub-Division to Block.

- 1) Normal mode of transmission through Phone and Fax. For this we have planned to install a dedicated Fax for each two Sub-Divisions.
- 2) All the S.D.Os and B.D.Os have been requested to send all the communication via e-mail. Already this process has been established and we are working to improve the same.
- 3) Burdwan has a unique set up of WBSWAN net work up to block levels. The communication and monitoring of election preparedness is being monitored through this net work. Already several Video Conferences have been organized including police personnel and civil administration.

B} Block ↴ Sector ↴ Booth

Already a Telephone No. for each booth has been identified (which may be at any nearby place of the booth). All the sector officers may be provided with mobile telephony facility to facilitate quicker transmission of information between field and blocks.

Last Words.....

The preparedness for Panchayat Election in the District is going on in full swing and we have tried to accommodate every bit of information that has been finalised upto this stage. Some information relating to the vehicular arrangement, selection of training venues and arrangement of Training, detailed sector arrangement, etc. could not be included because those issues are in the last stages of finalization.

All the above will be subsequently incorporated at the time of publication of the final booklet that will be brought out after the nomination period is over during 3rd week of April 2008.
